EC-822

Corrugated Tube Cutting Machine

PRODUCT FEATURES

1. Applied to types of hard material tube/pipe cutting.
2. Using uniform feed cutting.
3. Cutting efficiency up to 400pcs/min, L = 100mm.
4. Cutting accuracy can be controlled at ±0.2%+0.5mm.

PRODUCT PARAMETERS

Item	Specification
Processing range	Outer diameter ≤42mm
Cutting length	5~9999.9mm
Power	2000W
Electrical connection	380V
Weight	80kg
Speed	400pcs/min, L = 100mm
Cutting accuracy	±0.2%+0.5mm
Dimensions(L × W × H)	560 × 560 × 520mm

* Processing capacity varies depending on the type and size of the material.
