

ESC-BX1

Automatic Cutting And Stripping Machine

PRODUCT FEATURES

1. Compact in size, simple operation.
2. Excellent price to performance ratio.

PRODUCT PARAMETERS

| Item | Specification |
|------------------------|---------------------------------------|
| Wire Range | AWG#26-18 (0.13-0.82mm ²) |
| Cutting length | 0.1-99999mm |
| Cutting Accuracy | ± (L × 0.2%+0.2)mm |
| Stripping Length | 0.1-30mm |
| Efficiency | L=100mm, 85PCS/min |
| Power Supply | 220V |
| Power Output | 240W |
| Compressed | 5-6Bar |
| Noise level | <70 dB |
| Dimensions (L × W × H) | 360 × 300 × 220mm |
| Weight | 20kg |

* Processing capacity varies depending on the type and size of the material.

ESC-BX7

Automatic Cutting And Stripping Machine

PRODUCT DESCRIPTION

ESC-BX7 machine can realize simultaneous processing of five wires of AWG#28-18 wire. It can greatly improve work efficiency. Rotary elastic emergency switch ensure work safety.

PRODUCT PARAMETERS

| Item | Specification |
|--------------------|---------------------------------------|
| Wire Range | AWG#28-18 (0.08-0.82mm ²) |
| Cutting length | 0.1-99999mm |
| Cutting Accuracy | ± (L × 0.2%+0.2)mm |
| Stripping Length | 0.1-30mm |
| Efficiency | L=100mm, 325PCS/min |
| Power Supply | 220V |
| Power Output | 300W |
| Compressed | 5-6Bar |
| Noise level | <70 dB |
| Dimensions (LxWxH) | 450 × 420 × 270mm |
| Weight | 38kg |

* Processing capacity varies depending on the type and size of the material.
